# nifty 140

The Nifty 140 is the first of a new generation of Nifty trailer mounts taking advantage of developments in design and build technology. It delivers outstanding reach performance without compromising on functionality or quality. With one of the largest platforms in it's class and a 150° flyboom positioning is easy and hydraulic outriggers make setting up quicker than ever before.

## Safety Features

- ▶ Pressure sensitive outriggers with talking and visual alarm
- ▶ Dual controls (platform & base)
- ▶ Emergency descent system with hand-pump
- ▶ Lock valves on all hydraulic cylinders
- ▶ Overrun brake system with gas spring handbrake
- ▶ CE Mark

Hydraulic outriggers allow quick and easy setup and the unique talking alarm ensures that the operator is aware of an incorrect setup, even when working in the busiest of environments.

Petrol / Battery Bi-Energy power option, mounted for easy maintenance access. This system allows discreet and fume free operation or continual use even where an external power source is not available.
